The Baby Trail ReadingGroupGuides com

December 30th, 2018 - Infertility is no laughing matter Men and women unable to have children are often put through the emotional and physical wringer in trying to build a family So to say that Sinead Moriarty s first novel THE BABY TRAIL about one woman s difficulty getting pregnant is humorous while true does not do justice to the depth of the story and the sensitivity Moriarty feels for the serious subject matter

On the Baby Trail A True Story Of Infertility Kindle Edition

December 20th, 2018 - On The Baby Trail is the honest heartbreaking and at times amusing diary of the trials and tribulations faced when undergoing fertility treatment Appealing to all women not just those with infertility issues it is the true story of a thirty six year old woman who meets the love of her life at twenty eight and doesn t see anything wrong in putting off having babies until she is well into her thirties only to discover that having a baby on the wrong side of thirty five is far more
